

WCSQM Assessment Framework

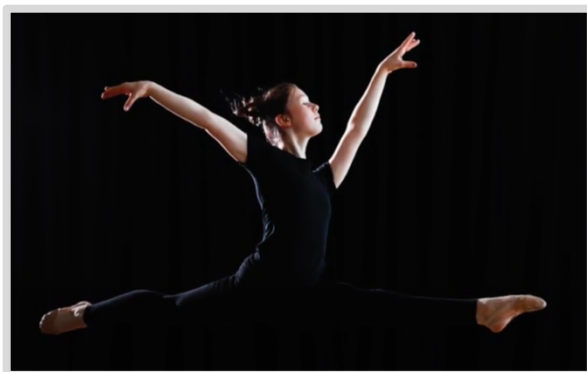

I consistently out-perform students from similar contexts,
and I am committed to continually improving my
performance because I ...

- inspire,
encourage and
recognise others
- know how to
develop positive
relationships with
different groups of

people

- achieve my potential and overcome
obstacles

- have an area
of expertise or
specialism
- can demonstrate methods and tools of
continual improvement
- am agile in response

to changing needs and circumstances

- want to improve my learning continually

All the
photographs have
been created by
World Class
students
themselves, from
across the UK.
