

WCSQM Assessment Framework

I am an active participant in my school, local or relevant communities because I

- ensure I am accountable for my performance; I identify constraints to my performance and accept ownership of problems and responsibility for solving them

- have a balanced approach to

satisfying a range of interested parties with conflicting demands

- measure the impact of what I do, and change

my actions accordingly

- communicate effectively
- make sure the objectives of any activity I carry out are understood and accepted by the community I am serving
- research and understand what the community I am serving needs

- am totally committed to and engaged with the community I am serving

- make sure the community I serve are able freely to share, and actively seek, opportunities to enhance their own competence, knowledge and experience.
