Dear Mark,

This (email below) came into school today so I thought I'd pass it on to you! Thank you again for such an amazing piece of work.

Mr Anderson

Subject: Year 6 Open Evening

Good afternoon

My family and I attended the Open Evening last night.

We all came away saying the same thing and I thought I'd share it with you.

Each and everyone of your Team and Pupils was a credit to your school, especially a pupil, how kindly he showed us around, I believe his name was, Mark.

Thank you, we were so impressed and hopefully our daughter will be able to join you next September.

Kind regards

a...have high quality work experience

Give an example
and a short
description

B *I*

I carried out my work experience at my school, I was given the privilege to represent my school, and showed future students and parents around the school as well as answering any burning questions they wanted answered.

Dear Headteacher Ambassador,

Firstly, I am very sorry that this is so late in coming - though I know that I have at least spoken to you in person.

In short, we have a meeting tomorrow:

When: Friday 12th November
Where: EN05
Time: Period 4, 1pm (I can register you there)

Topics / Agenda:

1. Introductions to each other and the group
2. The school's priorities
3. Rewards and measuring achievement – I am after your ideas.
4. Celebrating support staff.
5. What is our role in school?
6. Supporting in Tutor times.
7. Photos for the board and website.

The office were going to send out slips this afternoon but they will now go out during Tutor time via Ritej (I think!)

I look forward to seeing you and all the other members in person tomorrow,

Mr Anderson.

As a headteacher ambassador, I have the responsibility of showing visitors round the school and educating them on the school's priorities and achievements. I also have to model behaviour and conduct to younger year groups.
