

World Class Schools Quality Mark (WCSQM)

WCSQM Associate

WCSQM Mission Statement

WCSQM awards a quality mark to non-selective state schools offering the best education to young people in England and Wales. Unlike other national assessment frameworks, we assess the student and not the school, against a framework of skills and competencies young people need to flourish in an emerging global economy. Through unique real-life work experiences, access to a lifelong peer support network and cultural opportunities that take them beyond their local community, we give world class students the confidence to overcome socio-economic barriers to recognise and achieve their potential.
